Last month the organizers of FAMBASE were honored to have an audience with Methuen Mayor Steve Zanni to talk about our proposal to raise mooney for the Special Education programs in the Methuen Public Schools.

Thanks to such dedicated parents like Jana DiNatale who heard what we were organizing, and was eager to jump in and help.

As the result of a team effort today's event is possible. Special thanks to Bill Pare (Recreational Dept), YMCA of Methuen and Lawrence (equipment), Kevin O'laughlin (arranging MHS student volunteers), and everyone else who lent a helping hand in making this event a success.

THANK YOU!

For the last 6 years, Mayor Steve Zanni has made our children his top priority for the City of Methuen. We want the mayor to know that your efforts have not gone unnoticed, and are greatly appreciated by the residents of Methuen!

HEROES IN OUR MIDST

From the Pages of The Valley Patriot

"The Valley Patriot has provided a great service to the Merrimack Valley in honoring veterans each month for the last 13 years. They have made great and successful efforts to reach out to so many veterans and their families. This compilation of all of the men and women who were honored with "Valley Patriot of the Month" in one book, will be a memorable and a treasured keepsake for the veterans and their families, and a reminder to all of us the many Heroes in our Midst."

Special Stars Performing Arts Program offers singing, dancing, and acting classes for those with intellectual and developmental disabilities. Students of all ages and abilities learn to express themselves through creative group music and dance activities while gaining confidence and appreciation for the arts. Students will rehearse several musical theater, popular culture, or historically significant songs as well as choreograph a dance number. Physical fitness and artistic expression will be emphasized through dance and vocal warm ups.

We offer personal attention to meet each person's specific needs. All classes culminate in a live performance for friends and family!

Special Stars is committed to helping each individual discover their own personal strength, talent, and potential. We are dedicated to helping each Special Star shine. Check us out at www.specialstarsprogram.org or e-mail us at specialstarsprogram@gmail.com.
